**Boys & Girls Clubs of Wisconsin** www.bgcwisconsin.org/

We serve over 134,000 youth at 158 sites in 57 cities across Wisconsin, more than any organization outside of our public school system. With two thirds of our kids living outside of Madison and Milwaukee, we support programs and funding that allow all of Wisconsin Clubs to continue to offer unique programs that promote the positive development of young people.

We focus on programs that result in measurable outcomes for youth in academic achievement, career skill building, positive mental health, juvenile crime reduction, prevention of opioid abuse, and constructive civic engagement. We support and track legislation and budget matters that impact school age youth statewide, including stimulus funding, child care licensing, and after school program funding.

**Common Ground Healthcare Cooperative** www.commongroundhealthcare.org

Common Ground Healthcare Cooperative is a non-profit health insurance cooperative and a federally designated Consumer Operated and Oriented Plan (CO-OP) under federal law. Our cooperative was created to serve and advocate for the health insurance and health care needs of individuals and small employers living and working in the state of Wisconsin.

Common Ground Healthcare Cooperative advocates for policy changes we believe will have an impact on the cost, quality or accessibility of health insurance coverage or health care in Wisconsin. We represent insurance consumers, not the insurance industry, in our work with lawmakers. We will work to provide information on matters that impact the cost of medical care, the cost of pharmaceuticals and the insurance market in general but particularly the individual insurance market. We believe that consumers should have access to quality care, comprehensive coverage and clear and honest information that allows them to make informed choices about their health.

**Lutheran Office for Public Policy in Wisconsin** www.loppw.org

We advocate based on our values in response to God's command to love our neighbor. We focus on hunger and nutrition programs for children and adults, antipoverty programs and economic justice for low-income individuals and families. We also address the crisis of human trafficking, environmental issues, and immigration.

Policies related to the following:
Hunger and poverty - We support fair safety nets programs and policies that diminish hunger.
Immigration - We seek policies that welcome the stranger and build up fairness in immigration laws/
Climate change and clean water - We are called to care for God's creation and so support renewable energy and fair environmental regulations.
Human trafficking - So far we have focussed on anti-sex trafficking laws and that help prevent trafficking and that direct victims to receiving human services. We also support increased human services for youth and adult victims.

**Sheet Metal and Air Conditioning Contractors' Association of Milwaukee** www.pmsmca.com

The Sheet Metal and Air Conditioning Contractors' Association of Milwaukee (SMACCA)) represents the needs of contractors engaged in construction, service, and maintenance of sheet metal applications, air conditioning, heating, ventilation, and related systems. SMACCA is part of a network of chapters of a national trade association—the Sheet Metal and Air Conditioning Contractors' National Association (SMACNA)—which represents the leading voices in the sheet metal and air conditioning industries.

Railroad transportation.

UP is a freight railroad. We will be attempting to influence legislation and state rules that relate to any regulation of our operating practices or the goods we transport. Since our physical plant (tracks and auxiliary facilities) extend across the state, we have the same concerns that other industry has about property law, environmental impacts and the like, as well as how our property and operation is taxed. We are also concerned about laws that affect our employees and liability law with regard to our operations in the state.

**Wisconsin Trust Account Foundation, Inc.** www.wistaf.org

WisTAF partners with and receives support from members of Wisconsin's legal profession and banking industry (via the Interest on Lawyers Trust Accounts (IOLTA) program and Public Interest Legal Services Fund (PILSF). WisTAF makes grants to nonprofit law firms and, on occasion, other social service agencies whose missions include increasing access to the civil justice system for low income Wisconsinites. WisTAF is governed by a 15-member board of directors appointed by the Chief Justice of the Wisconsin Supreme Court and/or State Bar of Wisconsin president (3 judges, 9 lawyers, 3 nonlawyers).

We anticipate educating policymakers on the need for civil legal aid in Wisconsin and requesting appropriate State investment in such services via the biennial budget process.
