League of Women Voters of Wisconsin

STATEMENT ON AB 283/SB 291

The League of Women Voters of Wisconsin opposes AB 283/SB 291, based upon the positions of the League of Women Voters U.S., which supports programs, services, and policies at all levels of government to expand the supply of affordable, quality child care for all who need it, in order to increase access to employment and to prevent and reduce poverty.

The League of Women Voters of Wisconsin prioritizes laws that: Ensure accessible, affordable, and quality childcare is available statewide through legislation that takes necessary steps to support and sustain existing Wisconsin childcare providers and supports the development of childcare centers where childcare deserts exist.

LWVWI opposes the bill because it's inadequate to fully address the childcare needs of the state.
