

# Wisconsin Family Ties

Wisconsin Family Ties supports the prohibition of the harmful practice of conversion therapy with minors. We could support AB349/SB261 if the following amendment were made to better represent the role of therapist as unbiased facilitator:

2. “Conversion therapy” does not include any of the following:

a. Counseling or therapy that provides ~~acceptance, support, and understanding of the individual or the unbiased~~ facilitation of an individual's coping, social support, and identity exploration and development, including sexual orientation-neutral interventions to prevent or address unlawful conduct or unsafe sexual practices.

b. Counseling for an individual seeking to transition from one gender to another.
