

Alliance for Regulatory Coordination

September 26, 2018

Nate Ristow, Interim Assistant Deputy Secretary
Department of Safety and Professional Services
4822 Madison Yards Way
Madison, WI 53705

Dear Mr. Ristow:

The Alliance for Regulatory Coordination hereby requests that the Department of Safety and Professional Services promulgate administrative rules, in a timely manner, to adopt the 2018 edition of NFPA 1, developed by the National Fire Protection Association. Currently, Chapter SPS 314, Wisconsin Administrative Code, adopts the 2012 NFPA 1 as the basis of the Wisconsin Fire Prevention Code.

We believe Wisconsin citizens, businesses and visitors are best served and protected when Wisconsin utilizes the most contemporary model codes and standards dealing with fire prevention and safety. We encourage the Department to consult with the DSPS Fire Prevention Code Committee in developing these rules.

The Alliance for Regulatory Coordination stands ready to assist you in this endeavor. We thank you for your time and consideration concerning this matter and intently await your response to this letter.

Sincerely,

Robert G. DuPont, Founder
