TO: Chairman Spiros and Members of the Wisconsin State Assembly Committee on Criminal Justice and Public Safety

FROM: Chief Edith Hudson, Marquette University Police Department

DATE: May 27, 2021

RE: Assembly Bill 335- Relating to grants to law enforcement agencies for body cameras

I am writing to respectfully request that the Assembly Committee on Criminal Justice and Public Safety amend Assembly Bill 335 to allow the Marquette University Police Department to be eligible for grants to law enforcement agencies for body cameras.

We are grateful to the Wisconsin Legislature and the State of Wisconsin for the statutory authority for the creation of the Marquette University Police Department under Wisconsin State Statutes 175.42. As written, Assembly Bill 335, only allows law enforcement agencies to receive grant funding. The Marquette University Police Department is not included in the definition of a "law enforcement agency" as outlined in Wisconsin State Statute 165.83(1)(b).

The Marquette University Police Department (MUPD) was commissioned on May 1, 2015, after an agreement with the state of Wisconsin's Department of Justice and Attorney General's office. MUPD has more than 80 trained public safety professionals, including 44 sworn law enforcement officers, MUPD has an extensive safety infrastructure throughout campus and in the near-off-campus neighborhood, which includes more than 1,100 cameras and more than 450 Blue Light phones, a state-of-the-art command information center and the nationally recognized Department of Campus Safety.

A Marquette University police officer's primary role is to prevent crime and the breach of public order and is in-line with many of the responsibilities outlined under Assembly Bill 335 for which grants for body cameras would be available. Primary responsibilities include protecting students, faculty, staff, campus visitors, property and facilities from accidents, bodily harm, fire, theft, vandalism, and illegal entry; enforcing laws and traffic and parking regulations; apprehending violators; providing general information and assistance to the public; conducting criminal investigations; and participating in community-oriented policing efforts. The MUPD patrol zone extends beyond Marquette University's campus and much of its work benefits community members who are not affiliated with Marquette University.

MUPD also works in close partnership with other law enforcement agencies to protect the residents of Milwaukee and the citizens of Wisconsin.

Body cameras equipment and the supporting systems are an expensive investment. Since the vast majority of MUPD police officers work is in the public right of way, we would respectfully request MUPD be an eligible entity. I would be happy to discuss this matter if you have any further questions. Please feel free to contact me at (414) 288-6800.

Respectfully,
